## HOW CAN WE VALIDATE, CERTIFY ANY ELECTION?

The following article was submitted by a concerned citizen. It's full of questions which address actual violations occurring across the state. In our upcoming newsletters, we will be answering the concerns providing you with the law; as well as reported violations across the State of Texas. We trust this will create your own questions moving you to get involved with your local elections.

One of the cornerstones of our democracy is the ability for every legal citizen to participate in the selection process of choosing our future leaders, priorities and laws to govern by. This is guaranteed in our Constitution. This is accomplished through an ever-evolving election process that is supposed to be validated and certified after each election.

Given the importance of this cornerstone, we must ask ourselves:  
Who are the gatekeepers of this process?  
How has it evolved and who assures the transparency?  
Are our elections ethical and legal?

### MUST WATCH - WORTH EVERY PENNY

### SEE THIS NOW!

Filmmaker Dinesh D’Souza returns to the Dom Giordano with film focusing on election fraud. In the film, 2000 Mules, D’Souza takes on an investigation into the highly controversial 2020 election, following proven ballot stuffing using geo-trackers to follow what he’s labeled ‘mules,’ who do the bidding for organizations hoping to stuff boxes. This is a MUST SEE MOVIE.

### FROM OUR CHAIR

Welcome to our first BCEI Newsletter. Our hope is to bring you value around election integrity through news, training and upcoming events. With the new SB1 in place, we’ve seen election workers across the state vacate their jobs leaving voting sites poorly staffed. The majority of this has been orchestrated with a purpose to upend elections through total chaos. Regardless of the left’s tactics, BCEI is here to educate as well as protect votes. Therefore, we are laser focused on recruiting and training Poll Watchers because we all heard Biden say in December, “It’s about who gets to count the vote and whether your vote counts at all.”

Thank you to each and every one of you for being on the “Right” team working towards true and fair elections. - Melinda Roberts
